Academic Details

Year	Degree/ Exam	Institute / University	Marks (%) / CGPA
2024	BBA Computer Applications	Sinhgad College of Commerce, Kondhwa	8.36
2021	H.S.C	Guru Nanak Public School & Jr. College, Camp	75.50 %
2019	S.S.C	Kroot Memorial High School	58.00 %

Projects

- **Shop Me:** A static e-commerce web application for sports equipment featuring product listings, shopping cart, and checkout functionality. Built using React.js, Vite, and styled with Tailwind CSS for a fast, responsive, and modern user experience.
- **Algo Disc:** A responsive, web-based static application for visualizing disk scheduling algorithms. Leveraged native JavaScript for computation and interactivity, and developed with React.js, Vite, and Tailwind CSS for a clean and intuitive interface.
- **Budget Buddy:** A responsive and user-friendly web application to calculate monthly EMI (Equated Monthly Installment) for different loan types, display a detailed repayment schedule, and download a comprehensive Excel report.
- **Royal GYM:** A static website template for gym management developed using pure HTML and CSS, showcasing gym services and designed for development and demonstration purposes. Hosted on GitHub.
- **Vehicle Safetylizer:** Simulated a “Vehicle Safetylizer” device for Alcohol Detection using IOT (Internet Of Things) components and C++ programming.

Technical Skills

- Java
- C/C++
- PHP
- Node JS
- Web Tech – HTML, CSS, JavaScript
- DBMS – MySQL
- Python

Certifications

- **NPTEL SWAYAM** – Completed an online certification course covering Java programming fundamentals and advanced concepts.
- **Scaler Topics** – Java Course: Mastering the Fundamentals
Successfully completed a comprehensive course on core Java concepts and best practices.
- **Infosys Springboard** – HTML5, Website Creation, User Experience, Email Writing, High-Impact Presentation, and Time Management
Earned multiple certifications on web development, communication, productivity, and presentation skills.
- **National Intellectual Property Awareness Mission (NIPAM)** – Intellectual Property Rights (IPR)
Certified in IPR awareness at Modern College of Engineering, Shivajinagar, under the national mission.

Soft Skills

- Fluent in Spoken English & written communication
- Organization, Decision making & Leadership Skills
- Adaptive & Collaborative
- Creative Thinking and Efficient Presentation Skills

Soft Skills

Projects Leadership:

- **Disk Scheduling Algorithms Visualizer** for Operating System and Computer Networks Project Competition (Group of 4 members).
- **Vehicle Safetylizer** for Alcohol Detection using IOT Components and C++ (Group of 3 members).
- **House Price Prediction** Presentation using Python libraries (Numpy, pandas) via Jupyter Notebook and MS Power Point (Group of 2 members).
